9 **POINTS AND AUTHORITIES**

10 This action involves an employment dispute between plaintiffs, former in-house attorneys for
11 IGT. The plaintiffs have asserted claims for relief regarding their termination from IGT, including a
12 claim for whistleblower protection under the Sarbanes-Oxley Act for alleged retaliation in response
13 to allegations against IGT management for securities fraud against IGT's shareholders.

14 At the time the action was commenced, the plaintiffs requested that the action be placed under
15 seal, which the Court has since ordered. As a result, any party to this action must seek Court
16 permission to obtain a transcript of any proceedings taking place before the Court.

17 On June 7, 2007, a hearing took place wherein the Court and counsel addressed Defendant's
18 Motion for Summary Judgment. At this time, IGT seeks to have a transcript of the proceeding,
19 necessitating the filing of this motion.

20 Therefore, IGT respectfully requests this Court to grant its motion to allow a transcript of the
21 June 7, 2007, proceeding to be provided to IGT.

22 Dated this 27th day of June 2007.
